

*When I Look Into Your Eyes*  
*by Toni Petrinovich*

*When I look into your eyes*  
*I see only God.*

*There is only our sacred union;*  
*There is only One.*

*You may appear to come to me across the miles,*  
*Yet I know no distance.*

*Come; speak to me that which is in your heart.*  
*Tell of your yearning.*  
*I will experience it with you,*  
*This mergence as One.*

*Will you see me?*  
*Will you feel of that which I have called to you?*

*Do you know that at the moment of creation,*  
*When there was no separation, we were forged?*

*We saw each other only within the eyes of God.*  
*Come to me now.*

*Speak to me the words that well within your heart.*  
*Our union emerges from within the core of your soul,*  
*Lives within your heart space awaiting discovery.*

*Speak to me the tears.*  
*Embrace the joy of our divine union*  
*Within the current of the Divine celestial weaving.*

*We are known only as One.*

*There is no tomorrow.*  
*There is only this moment.*

*And within the richness of our expansion*  
*We will grow to experience the joy, the caress, the bliss*  
*Of emerging as a wave within the ocean's stillness.*

*Will you let me carry you within my heart?*  
*Will you let me hold you within the container I am?*

*I am you.*  
*You are me.*

*We are The One.*  
*In our oneness is our union.*  
*Within the stillness we are infinite.*

*When I look into your eyes.*
